Base Pricing

The base pricing is a minimum cost and covers installation within 25 feet of the main panel, with up to \$250 in materials and 6 hours of labor included. Additional costs may apply based on specific project conditions.

OPTION 1: EV Circuit Only / Receptacle - \$2,000

Includes:

- 6 hours of labor
- \$250 in materials
- NEMA 6-50 or 14-50 surface-mounted receptacle (up to 50-amp circuit)

OPTION 2: Tesla Universal Wall Connector - \$2,400

Includes:

- 6 hours of labor
- \$250 in materials
- Tesla Universal Wall Connector compatible with NACS and J1772 connectors
- Hard-wired on a 60-amp circuit (no receptacle)
- Optional consumption meter: +\$500 (subject to location restrictions)

Additional Costs

- Labor beyond the included 6 hours: \$240/hour (Technician: \$150/hour, Helper: \$90/hour)
- Materials exceeding the \$250 allowance will be billed at cost.
- Permitting fee: \$500 (not included in base pricing).
- Home Consumption Monitoring: \$500 only available when installing the Tesla Universal Charger

Central Coast Community Energy (3CE) Rebate Information & Disclaimer

A.M. SUN SOLAR & ROOFING MAKES NO PROMISES OR GUARANTEES REGARDING REBATE ELIGIBILITY. CUSTOMERS ARE ENCOURAGED TO VISIT www.3cenergy.org/rebates/electrify-your-ride-residential FOR THE MOST UP-TO-DATE REBATE PROGRAM GUIDELINES

- Customers must be active 3CE members with accounts in good standing to qualify for the rebates.
 - Not a 3CE customer? You may be eligible to switch to 3CE. The switch must be completed before installation can proceed.
- According to 3CE guidelines, proof of purchase is required for rebate submission. Invoices must be paid in full prior to submitting rebate paperwork.
- Installation and payment must be completed by September 30, 2025, to qualify for the rebate.
- A.M. Sun Solar & Roofing will submit the rebate form and proof of payment online on the customer's behalf. Rebate payments will be issued directly to the customer. Please note that per 3CE policy, processing and payment may take up to 45 days.

Terms & Conditions

- Estimates: All pricing provided is an estimate. Actual costs may vary based on site conditions. Any adjustments will be invoiced accordingly.
- Payment: All payments are due after work has been completed. Any additional costs will be added to the final invoice.
- Customer Responsibility: The customer must ensure clear access to the installation area. Any delays or additional labor due to site access issues may result in extra charges.
- Warranty: A.M. Sun Solar stands by its workmanship and materials. All work comes with a 1-year workmanship warranty.
